THIS IS UNEVALUATED INFORMATION

1. In April 1951 the Ministry of Mines and Petroleum changed its name to the Ministry of Petroleum and Coal. The Supply Department of the Ministry provided enterprises under its control with coal and oil products as fuel for manufacturing processes. Distribution of the coal and oil was carried out according to a plan which had to be confirmed by the State Commission for Supply.
2. Among the enterprises belonging to the above Ministry in April 1951 were the following:
 - a. Sovrompetrol, which produced and refined oil
 - b. Competrol, which distributed oil products
 - c. A tar-paper factory in Bucharest

3. The Vacuum oil Refinery at Stalin (Brasov) produces special lubricating oils for automobiles and aircraft. It also fills special orders for lub.
